

Dr. Nicki's Guided Math Blog

Here are some questions to get you jump started. Remember only introduce a few questions at a time. Picture icons are great and give non-readers more access to the poster.

The Language of Engagement

Accountable Talk

- I agree because . . .
- I disagree because . . .
- I don't know....
- I don't understand yet....
- I'm not sure....
- I'm still fuzzy
- I also noticed . . .
- Help me understand . . .
- Say more about what you mean . . .
- Can you show me/us how you did that?
- Why do you think that?
- Can you prove it?
- Can anyone add to that idea?
- Why is that true?
- How do you know that?
- I wonder . . .
- I got a different answer...
- I did it this way....
- I have a question about
- This was the tricky part
- Can you tell me more?
- Would you say that again?
- Can you give me an example?
